***The whole song** (except for the solo and chorus) is arpeggiated by hitting the 5th, 4th, 3rd, then 2nd and holding. In other words, the first chord, Eb, is played:

So tell me have you ever really...really, really ever loved a woman

***2nd VERSE**

To really love a woman, let her hold you,
till you know how she needs to be touched
You've got to breathe her, really taste her
till you can feel her in your blood
And when you see your unborn children in her eyes
you know you really love a woman

***BRIDGE:**

You've got to
Eb G
give her some faith, hold her tight, a little tenderness
G
you've got to treat her right
D G
She will be there for you taking good care of you

You really gotta love your woman
