```

           Em           Bm
I have seen peace, I have seen pain
C           D
resting on the shoulders of your name
           Em
do you see the truth
           Bm
through all their lies
C           D
do you see the world through troubled eyes
           G           Bm           Em
and if you want to, talk about it anymore
           C
lie here on the floor
G-D           C           G
cry, on my shoulder, of a friend

```

```

           Em           Bm
I have seen birth, I have seen death
C           D
lived to see a lovers final breath
           Em
do you see my guilt
           Bm
should I feel fine
C           D
is the fire of hesitation burning bright
           G           Bm           Em
and if you want to, talk about it once again
           C
on you i depend
           G-D           C           G
I'll cry, on your shoulder, your a friend

```

```

           Em           Bm
i have seen fear, I have seen faith
C           D
seen the look of anger on your face
           G           Bm           Em
and if you want to, talk about what will be
           C
come and sit with me

```

```

G-D           C           G
cry, on my shoulder, I'm a friend
           G           Bm           Em
and if you want to, talk about it anymore
           C
lie here on the floor

```

```

G-D           C           G
cry, on my shoulder, once again
G-D           C           G
cry, on my shoulder, i'm a friend.

```
